## Timetable notes

## General notes

- 1. Starting times of exams.** Each exam must be taken on the day and at the time shown on the timetable. The published starting time of all exams is either **9.00 am** or **1.30 pm**. Candidates taking more than one exam in a session should take these consecutively. A **supervised** break may be given between the exams taken consecutively at the discretion of the centre.
- 2.** Centres may start an exam up to 30 minutes before the published starting time without notifying AQA.
- 3.** Centres may delay the starting time of an exam within the scheduled session without notifying AQA **but candidates must be supervised from 9.30 am for morning exams or 2.00 pm for afternoon exams.**
- 4.** For information on any other timetable variations, please refer to the JCQ *Instructions for conducting examinations* or contact AQA Exams Office Support.
- 5.** Candidates must remain under supervision until **10.00 am** for morning exams and **2.30 pm** for afternoon exams. For exams of less than one hour's duration, candidates must remain under supervision for a period equal to the duration of the exam **after the published starting time** shown on the timetable.
- 6.** GCE exams are timetabled in common timetabled slots agreed by the JCQ.
- 7. Early information.** Some components require the issue of question papers, stimulus material or other information in advance of the normal timetable period. Centres should check the specification for information on the material required by candidates.
- 8.** Any **reading time** specified for an exam is **included** in the time specified.
- 9. GCE coursework.** Marks must be submitted by **10 January 2012**. For GCE Mathematics and GCE Statistics where coursework forms part of a unit, candidates may carry forward the coursework component mark from a previous series. Please ensure these candidates are entered on the mark form for carrying forward CF, as this cannot be done automatically.
- 10. Practical and oral units.** Centres must arrange these according to the procedures indicated. Such units are not shown on the timetable except when a unit is scheduled to be taken during the exam timetable period.
