

Continuing Professional Development

Web Design: Creating and Designing Web Pages

Pre-Course Task

There are pre-course tasks which accompany this course which are available to download at <http://www.fourquarters.biz/training.php>

Access the link and download Note Tab Light (Freeware) where instructed.

This is located in the bottom paragraph which starts. 'Courses require a dedicated training...'

You will also need to bring a Windows-based laptop and charger with you.
