

**DESIGN AND TECHNOLOGY
(RESISTANT MATERIALS TECHNOLOGY)**
(For the Foundation and Higher Tiers of the Full and Short Courses)

PREPARATION SHEET FOR THE 2008 EXAMINATION 3545/55/PM

Instructions

- This Preparation Sheet will be given to you on or after 1 March 2008.
- The context for **some** of the examination questions is given below and further information is given overleaf.
- Between March and the examination date you will have the opportunity to research the context with the guidance of your teacher.
- **No Preparation Sheets or any associated material may be taken into the examination room.**
- You **must** take some colouring pencils into the examination.

THEME: EATING OUTDOORS

DESIGN CONTEXT: OUTDOOR PICNIC FURNITURE

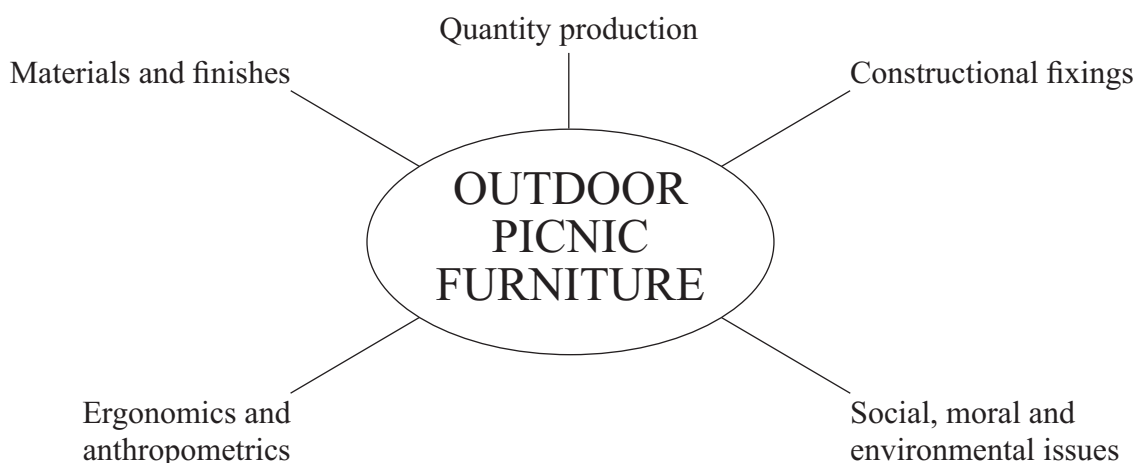

Make a study of outdoor furniture that is suitable for a family picnic.

Use the information on this preparation sheet to help you in your research.

Candidates should also be familiar with mechanisms.

Full course higher tier candidates should also investigate outdoor picnic furniture that can be transported by car.

Short course candidates will **not** be asked questions relating to metal processes or *smart* materials.
