### Teacher declaration

Further to the statement on the *Centre declaration sheet* about help given to candidates, any teacher assistance has been limited to the use of strategies to improve accessibility such as:

- the rephrasing of questions or tasks which have not been understood

- the provision of feedback in relation to inappropriate or inadequate answers given by the candidate, where such feedback does not, in itself, provide the information which the candidate must supply.

I confirm the candidate's work was conducted under the conditions laid out by the specification. I have authenticated the candidate's work and am satisfied (to the best of my knowledge) that the work produced is solely that of the candidate.
