

Component grade boundaries – January 2009 exams

Applied GCE (AS and A2)

Here you can see the scaled mark **component** grade boundaries for Applied GCE AS and A2 units.

As all Applied GCE units consist of just one component, no scaling of marks is necessary. Therefore, the scaled mark grade boundaries shown are the same as the raw mark grade boundaries.

Uniform mark grade boundaries can be found in Appendix A of the [Uniform Marks Leaflet](#)
