

## Component grade boundaries - January 2010 exams

### Applied AS and A2 units

Here you can see the scaled mark **component** grade boundaries for Applied AS and A2 units.

As all Applied AS and A2 units consist of just one component, no scaling of marks is necessary. Therefore, the scaled mark grade boundaries shown are the same as the raw mark grade boundaries.

Uniform mark grade boundaries can be found in Appendix A of the [Uniform Marks Leaflet](#)
