

Grade boundaries - March 2011 exams

GCSE

Here you can see the scaled mark unit grade boundaries for GCSE specifications.

All GCSE units available in March 2011 comprise one component only so no scaling is necessary: the scaled mark grade boundaries are the same as the raw grade boundaries.

Component grade boundaries for the Functional Mathematics unit of GCSE Use of Mathematics (Pilot) are summarised in a separate table at the end of this document.

Uniform mark grade boundaries can be found in Appendix A of the [Uniform Marks Leaflet](#)
