

## Grade boundaries - March 2012 exams

### GCSE

Here you can see the scaled mark unit grade boundaries for GCSE specifications.

All GCSE units available in March 2012 comprise one component only so no scaling is necessary: the scaled mark grade boundaries are the same as the raw grade boundaries.

Component grade boundaries for the Functional Mathematics unit of GCSE Use of Mathematics (Pilot) are summarised in a separate table at the end of this document.

Uniform mark grade boundaries can be found in Appendix A of the [Uniform Marks Leaflet](#)
