

## Component grade boundaries - January 2010 exams

### GCSE (legacy)

For GCSE (legacy) units, component scaled and raw mark grade boundaries are shown. As almost all units consist of just one component the scaled mark grade boundaries are the same as the raw mark grade boundaries as no scaling of marks is necessary. Component grade boundaries for the Functional Mathematics unit of GCSE Use of Mathematics (Pilot) are summarised in a separate table at the end of this document.

Uniform mark grade boundaries can be found in Appendix A of the [Uniform Marks Leaflet](#)
