

## **Subject and component grade boundaries - June 2008 exams**

### **Other qualifications**

#### **(VRQ, Certificate in Preparation for Working Life and Certificate in Enterprise and Employability)**

For VRQ only the component scaled mark grade boundaries are shown. The scaled mark grade boundaries are the same as the raw mark grade boundaries as no scaling of marks is necessary.

For the Cert. in Preparation for Working Life and Cert. in Enterprise and Employability, overall subject-level grade boundaries are shown together with their associated component scaled mark grade boundaries. As with VRQ, the component scaled mark grade boundaries are the same as the raw mark grade boundaries as there is no scaling of component marks.

Uniform mark grade boundaries can be found in Appendix A of the [Uniform Marks Leaflet](#)
