

Component grade boundaries - January 2010 exams

Project (Levels 1 and 2) (pilot)

Here you can see the scaled mark **component** grade boundaries for the Project (Levels 1 and 2) pilot specifications. As each subject consists of just one component, the scaled mark grade boundaries are the same as the raw mark grade boundaries as no scaling of marks is necessary.

Uniform mark grade boundaries can be found in Appendix A of the [Uniform Marks Leaflet](#)
